

The White House *Formula*

A permeable garden built from plants, stone, shade and simple objects.

Chalk White Primary backdrop	Dusty Pink Sparingly on walls	Soft Terracotta Year-round structure	Deep Green Pots & details	Green & White Stripe Signature accent
				

COLOUR PALETTE

Chalk White	Dusty Pink	Soft Terracotta	DeepGreen	Green & White Stripe
The primary backdrop — soft white render and limewash finishes.	A faded, sun-washed accent used sparingly on walls and courtyard spaces.	Muted clay tones introduced through pots and architectural elements, pots.	Evergreen planting that provides year-round structure.	The signature accent through umbrellas, cushions and outdoor fabrics.
